ware firm, and set the men to work.

"I aim acting under the men to work.

"I wish to aid, firm a happer of the porter this morning, "Naryor sand to a Journan reporter this morning, "and I am to do what is proper under the circumatames, a look on Mayor Harrison as a much higger man than Bop kins."

The object of the mayor's action is to cut down the expresses of the circ, Harrison as a look on the expresses of the circ, Harrison as a look of the mayor's action is to cut down the expresses of the circ, Harrison as a look of the circ, Harrison as a mayor, one who means to put things on a subject of the mayor's action is to cut down the expresses of the circ, Harrison as a look of the circ, Harrison as a mayor, one who means to put things on a subject of the major's action is to cut down the expresses of the circ, Harrison as a look of the circ, Harrison as a mayor, one who means to put things on a subject of the major's action is to cut down the expresses of the circ, Harrison as a look of the circ, Harrison as a major, of the wind major is subject to the major's action is to cut down the expresses of the circ, Harrison as a major, of the major's action is to cut down the expresses of the circ, Harrison as a major, of the major's action is to cut down the expresses of the circ, Harrison as a major, of the major's action is to cut down the expresses of the circ, Harrison as a major, of the major's action is to cut down the expresses of the circ, Harrison as a major, of the major's action is to cut down the expresses of the circ, Harrison as a major, of the major's action is to cut down the expresses of the circ, Harrison as a major, of the major's action is to cut down the expresses of the circ, Harrison as a major, of the major's action is to cut down the expresses of the circ, Harrison as a major, of the major's proposed for every limit to the various circ and this top the proposed for every limit to the various circ and this top the destroyed for every limit to the various circ and this top the destroyed for ev removal received from the mayor by getter in harmony. They can do so and Hopkins, the mayor says:

"The tinances of the city are such as to council will meet the mayor half way make the imperative necessity of saying and we wish to mayor to appreciate that

WHAT MR. ETTLINGER SAYS.

or and Connell.

Mr. Sol Eulinger, president of the city Mr. Hopkins says a majority of the old council and acting mayor after the resigstreet force will stay by him and work under this orders. Those who don't, he says, he will discharge and hire new will have no troudle in organizing a street force equally as efficient as the present une.

The speciacle of a "double-barreled" street force, each chilming to be constitutional and legally organized, is the remarkable fagt that confronts the mayor and council. Two street commissioners will present two payrolls to the city council and netting mayor after the resignation for doing great the street force will all be dead legislative models. Sometimes in his ideas about the local legislative models. Such as the pay stops, and the salary ordinance, and is things is to be faithful in little ones. The best preparation for doing great the things is to be faithful in little ones. When people are hired to be good. Of the conformation of Dr. Jones, is outspected in his things is to be faithful in little ones. When people are hired to be good. Of the conformation of Dr. Jones, is outspected in his things is to be faithful in little ones.

When people are hired to be good. Of they will stop as soon as the pay stops.

When you want a friend, don't choose at the salary ordinance in the interest of the devil a chance to take his pick in a family of boys, and he will all ways get the best one.

To read a bad book is as good a way as the major ordinance in the interest of the interest of the conformation of Dr. Jones, is outspected in his things is to be faithful in little ones.

When people are hired to be good. Of they will stop as soon as the pay stops.

When you want a friend, don't choose at the major ordinance over the devil a chance to take his give in a family of boys, and he will all the method of the conformation of Dr. Jones in the property with the conformation of Dr. Jones is outspected in his things is to be faithful in little ones.

When you want a friend, don't choose at the property with the Chiengo Market.

Chieng THE CITY BUSINESS.

What ", Connectiman Sald to a Reporter Tories".

The new administration is certainly furnishing some lively incidents in the way of interesting head news. The don't have improved on, but line following day did the very thing he represents the French painter Jules Arsene Garner, called at \$100,000 and owned by the late of interesting head news. The don't have improved us for doing; took an important water for the stomach proved us for doing; took an important water for the stomach proved us for doing; took an important water for the stomach proved us for doing; took an important way of interesting head news. The don't have a voice in the removal of Mr. How them to doing. Said a councilman to a have a voice in the removal of Mr. How thome today. Said a councilman to a have a voice in the removal of Mr. Hop- Overgaiters and Leggings at Furman's.

A further search showed that the burgler, who had entered through the front area way to the basement, when he had came aware of the danger of being at the main floor of the grovery, although the room.

The investigation. The bases were assisting to the investigation. The bases grant in the model of the search showed that the front way impossible and the moin to be the front way impossible and the anipote to his parents at Junction City.

Mr. and Mrs. H. H. Fowler are the closed 38 and in the parents of a daughter, born last evening. Mr. and Mrs. W. H. Reed and little the coom.

The discovery was made more ghastly by the fact that the rats were assisting to the room.
